## Problem set 5 questions

- ▶ Like in PS4, you can work on PS5 solo
- ▶ Late tokens for paired problem sets: we require *two late tokens* for paired problem set
  - ▶ Can have 1 token from each partner
  - ▶ Or, if you have a generous partner, two from one partner
- ▶ Recall we drop your lowest problem set score

# Lab

- ▶ You can go to any other section's lab for TA/faculty office hours
- ▶ But if you typically go to the *second* Wednesday lab and want to go to the *first* one: come after the first 10 minutes to avoid the quiz
